VISITOR GUIDE

WELCOME

Energy runs in our veins from our mountain trails and waterways to the roar of the raceway. Our rivers, lakes, and lands are abundant offering rich opportunities for outdoor adventure. Each strum of the guitar and tapping of toes highlights the desire to celebrate, to connect, to cultivate through song, art, and storytelling. From table to blanket, from family to friends, explore our community and all that it encompasses.

We would like to acknowledge that the **Stó:lō** (people of the river) lived on the lands long before Mission took shape as it is today. We hope to honour their legacy including the Kwantlen, Leq'á:mel, Máthexwi, Semá:th, Katzie and Sq'éwlets First Nations.
